TOCC Membership Drive

We would like to extend the opportunity for other families and individuals in our area to enjoy the benefits of membership at TOCC. To do so we are kicking off a membership drive for the months of November & December 2009, and January & February 2010.

Those becoming members of TOCC during this four-month window will receive their first (2) months' membership dues free. The primary sponsoring member will also receive credit for one (1) month's membership dues once the new member has met all membership criteria and has either paid their first installment of their initiation fee, or is confirmed as a Military, Competitive Tennis or under 35 year old associate.

Change of TOCC Website

The TOCC website is now: www.treasureoak.org. The next time you use your computer, please delete the .com address and type in the .org address. We have several changes to the web pages and are updating the calendar of events. The Board has listened to member's input and modified our website to make it easier to use. For example, the Membership Listing in the Members Area is now much more user friendly. Just click on the letter of the last name you wish to find and you will be there.

E-Mail Address

If you look into the 'Members Only' section of the TOCC website and you see something wrong with your name and information, please contact Diane Grimm at rrgrimm@bellsouth.net. The Board needs to ensure we have your correct email address.

Correction About Courtside Clubhouse

In the October newsletter we informed the membership about Quakes' alcohol service at the courtside clubhouse. Our lease agreement permits members to bring alcohol to the upper and lower decks of the courtside clubhouse. Quakes 2 does have alcohol rights within the clubhouse. We regret the inconvenience this has caused in the past few weeks.

Expense Savings Tip of the Month

The electric bill for TOCC last year was \$28,405.26. If you have an 8 P.M. tennis match and are the last to leave the courts, please turn off the lights. We would like to reduce our electric bill as much as possible. Note: (Please check the \$28k figure to make sure this is accurate).

Front Gate Lock

We are changing the combination to the front gate combination lock. You can phone any board member or Steve Pennington to get the combination.
