Good Job Members!!!

In the November newsletter we asked tennis members who are playing the last match in the evening to please turn off the lights in a timely manner.

The tennis court lights are a significant part of the electric bill. The TOCC electric bill in October was \$2,345.08. Because of your efforts the November bill was \$2,241.82; that's a savings of \$103.26!!

Thank you for your help and continued support to reduce costs at TOCC.
