## MOTIVATION FOR NEW MEMBERS!

Beginning the month of December, TOCC will be having a push for new members. Treasure Oak stands alone on the Coast as the best tennis club with our Hall of Fame Pro, tennis facility, Junior Tennis program, workout room, pool with a new diving board (no other pool has one) social activities and beautiful clubhouse. We have all it takes to be at total capacity in membership number again! We need everyone's help.

What's in it for you? Good question...here is the deal...included with your newsletter is a free guest pass. You can use this pass to bring a guest to the club to play tennis or utilize the pool. Once your guest has seen the club and heard about all the activities we have, we are confident they will want to join. Once the application is signed and deposit check received, the sponsor member will receive one (1) month dues free. Once the new member has met all membership criteria, they will receive two (2) months dues free. New members will also receive a complimentary 1/2 hour, private, tennis lesson. We can ascertain their skill level or introduce them to a lifetime sport. Our goal is 25 new members by Spring League registration. We can do this and we need your help.

So, use your guest passes (you can get more from Steve) and bring your guests to the club, explain what fun we have here and get them to join!
